

**DR. BABASAHEB AMBEDKAR TECHNOLOGICAL UNIVERSITY, LONERE**

**Supplementary Examination Winter – 2025**

**Course: B. Tech.**

**Branch: All Branches**

**Semester: I/II**

**Subject Code & Name: (BTHM104/BTHM204/BTHM1204/CS1204) Communication Skills**

**Max. Marks: 60**

**Date: 24/01/2026**

**Duration: 3 Hrs.**

**Instructions to the Students:**

1. Each question carries 12 marks.
2. Question No. 1 will be compulsory and include objective-type questions.
3. Candidates are required to attempt any four questions from Question No. 2 to Question No. 6.
4. The level of question/expected answer as per OBE or the Course Outcome (CO) on which the question is based is mentioned in ( ) in front of the question.
5. Use of non-programmable scientific calculators is allowed.
6. Assume suitable data wherever necessary and mention it clearly.

|                                                                         | (Level/CO) | Marks     |
|-------------------------------------------------------------------------|------------|-----------|
| <b>Q. 1) Objective type questions. (Compulsory Question)</b>            |            | <b>12</b> |
| i) Which of the following is a barrier to effective communication?      | <b>CO1</b> | <b>1</b>  |
| a) Using simple language                                                |            |           |
| b) Using jargon                                                         |            |           |
| c) Active listening                                                     |            |           |
| d) Clarifying doubts                                                    |            |           |
| ii) ..... involves quickly glancing over a text to identify main ideas. | <b>CO1</b> | <b>1</b>  |
| a) Skimming                                                             |            |           |
| b) Scanning                                                             |            |           |
| c) Intensive reading                                                    |            |           |
| d) Extensive reading                                                    |            |           |
| iii) ..... is the process of understanding and interpreting a message.  | <b>CO1</b> | <b>1</b>  |
| a) Decoding                                                             |            |           |
| b) Encoding                                                             |            |           |
| c) Feedback                                                             |            |           |
| d) Noise                                                                |            |           |
| iv) ..... is one of characteristics of effective public speaking.       | <b>CO1</b> | <b>1</b>  |
| a) Speaking in a monotone voice                                         |            |           |
| b) Avoiding eye contact                                                 |            |           |
| c) Using persuasive language                                            |            |           |
| d) Reading from a script                                                |            |           |
| v) The purpose of an extempore speech is .....                          | <b>CO1</b> | <b>1</b>  |
| a) To speak on a topic without preparation                              |            |           |

|       |                                                                                                                                                                    |            |          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|----------|
|       | b) To deliver a prepared speech<br>c) To read from a script<br>d) To answer questions                                                                              |            |          |
| vi)   | Which article is used before a noun starting with a vowel sound?<br>a) A<br>b) An<br>c) The<br>d) None                                                             | <b>CO1</b> | <b>1</b> |
| vii)  | What is the main difference between technical and literary style?<br>a) Tone<br>b) Purpose<br>c) Audience<br>d) All of the above                                   | <b>CO1</b> | <b>1</b> |
| viii) | The format of a formal email is .....<br>a) Salutation, body, signature<br>b) Introduction, body, conclusion<br>c) Greeting, body, closing<br>d) None of the above | <b>CO1</b> | <b>1</b> |
| ix)   | Purpose of a report is .....<br>a) To inform<br>b) To persuade<br>c) To analyze<br>d) All of the above                                                             | <b>CO1</b> | <b>1</b> |
| x)    | Synonym of the word 'big' is .....<br>a) Small<br>b) Large<br>c) Happy<br>d) Sad                                                                                   | <b>CO1</b> | <b>1</b> |
| xi)   | Which of the following is a speech organ?<br>a) Larynx<br>b) Lungs<br>c) Tongue<br>d) All of the above                                                             | <b>CO1</b> | <b>1</b> |
| xii)  | Which of the following is a type of listening?<br>a) Selective listening<br>b) Evaluative listening                                                                | <b>CO1</b> | <b>1</b> |

- c) Empathic listening
- d) All of the above

|                                                                                            |            |           |
|--------------------------------------------------------------------------------------------|------------|-----------|
| <b>Q. 2) Solve the following:</b>                                                          |            | <b>12</b> |
| A) Explain the cycle of communication.                                                     | <b>CO2</b> | <b>6</b>  |
| B) Elaborate any three types of communication.                                             | <b>CO2</b> | <b>6</b>  |
| <b>Q. 3) Solve the following:</b>                                                          |            | <b>12</b> |
| A) Explain the DOs and DON'Ts of group discussion.                                         | <b>CO5</b> | <b>6</b>  |
| B) Write a critical note on 'use of non-verbal communication in interview'.                | <b>CO5</b> | <b>6</b>  |
| <b>Q. 4) Solve any TWO of the following:</b>                                               |            | <b>12</b> |
| A) Transcribe the following:                                                               | <b>CO3</b> | <b>6</b>  |
| i) Supplement                      ii) Technological                      iii) Pen         |            |           |
| iv) State                              v) Colonel                              vi) Village |            |           |
| B) Spell the following:                                                                    | <b>CO3</b> | <b>6</b>  |
| i) /'fæʊtəgrɑ:f/                      ii) /ə'baʊt/                      iii) /ʃɪp/         |            |           |
| iv) /'nɒlɪdʒ/                      v) /fʊ:d/                      vi) /tʃɜ:tʃ/             |            |           |
| C) Explain any six organs of speech.                                                       | <b>CO3</b> | <b>6</b>  |
| <b>Q. 5) Solve any TWO of the following:</b>                                               |            | <b>12</b> |
| A) Use appropriate article and fill-in the blanks:                                         | <b>CO1</b> | <b>6</b>  |
| i) ..... Pacific Ocean is the largest ocean                                                |            |           |
| ii) Swaraj is ..... university student.                                                    |            |           |
| iii) Arti is ..... expert in mathematics.                                                  |            |           |
| iv) ..... Taj Mahal is in Agra.                                                            |            |           |
| v) Rishan is ..... engineer.                                                               |            |           |
| vi) Rajiv needs ..... pencil to write.                                                     |            |           |
| B) i) Use appropriate preposition and rewrite the following sentences:                     | <b>CO2</b> | <b>6</b>  |
| a) The train travels ..... Delhi to Mumbai                                                 |            |           |
| b) He is responsible ..... the marketing team.                                             |            |           |
| c) She is ..... her vacation in Goa.                                                       |            |           |
| ii) Use appropriate modal auxiliaries and rewrite the following sentences:                 |            |           |
| a) She ..... (can/could) speak three languages fluently.                                   |            |           |

|                                                                                                                                                                             |     |           |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------|
| b) I ..... (will/would) meet you at 5 PM.                                                                                                                                   |     |           |
| c) They ..... (may/might) arrive late due to traffic.                                                                                                                       |     |           |
| C) i) Suggest synonyms for: Perfect, Fast, Corrupt                                                                                                                          | CO2 | 6         |
| ii) Suggest antonyms for: Cultured, Entire, Antonym                                                                                                                         |     |           |
| <b>Q. 6) Solve any TWO of the following:</b>                                                                                                                                |     | <b>12</b> |
| A) Write an application for the post of Engineer in Wipro Ltd.,<br>Doddakannelli, Sarjapur Road, Bengaluru (Bangalore) – 560 035.<br>(The Indian Express; January 18, 2026) | CO4 | 6         |
| B) Write a well-composed resume for the above mentioned<br>application.                                                                                                     | CO4 | 6         |
| C) Differentiate between the technical writing and literary writing.                                                                                                        | CO4 | 6         |

\*\*\* End \*\*\*
